3 Read the following, then answer the questions:

Should we work all the time without having rest? The answer is that we can't go on working without stopping. From time to time we need some rest and do some interesting activities. If we didn't do that, we could make mistakes and our work might get worse. If we work all the time, we may lose the ability to think clearly and have no energy to go on working, so sleep is very important. It renews our energy. Sports and games are also important for the people who stay in closed offices and are not able to do exercises, such activities as swimming and walking may give them a lot of energy, so we shouldn't waste our weekends and try to forget all about our work. We can then enjoy ourselves.
